

BOARD POLICY

Board of Education, Non-Voting Student Member

A non-voting student member of the Board of Education, known as the Student Board Representative, shall be chosen by high school pupils in a manner prescribed in accordance with district administrative regulation. The student member of the Board shall also chair the student Board Representative Committee, which is comprised of one student from each high school in the district.

The Board authorizes the superintendent or designee to establish the appropriate guidelines with respect to eligibility, responsibilities, and grounds for dismissal from office.
