

BOARD POLICY

Library Resources, Use of

Selections of library resources and instructional materials shall adhere to guidelines prescribed by the American Library Association and the Board of Education and shall be under the supervision of the superintendent or the designated representative.

The criteria for selection of instructional materials shall be determined by the professional staff of the district according to the needs of the children of the district. The ultimate responsibility for the selection of instructional materials rests with the Board of Education.

Provisions shall be made for a continuous evaluation of materials selected through appropriate district curriculum committees.

The patrons of the district shall have ample opportunity to make constructive suggestions and keep abreast of the quality and quantity of materials involved.
