

## BOARD POLICY

Homeless Students, Enrollment of

Homeless pupils shall not be segregated or stigmatized because of their homeless status. A pupil's school placement shall be maintained at their "school of origin" for the period of time during which they are homeless, unless it is against the parent's wishes. Regulations related to this policy shall conform to current state and federal legislation, both mandatory and permissive sections of the state Education Code and the Federal Register, as appropriate to the operation of the district and the needs of homeless pupils.
