

Administrative Regulation

Collection of Monies

All monies collected from students, derived from any form of activity, must be deposited daily in an acceptable banking facility. No funds of any description are to be kept at the schools overnight.

Each fund raising drive or collection of monies must be approved by the principal. Each drive shall meet requirements set forth in the guidelines for student participation.

It is the responsibility of the principal to ensure compliance with the above regulation. Questionable cases may be submitted to the appropriate administrator of elementary or secondary education for review and approval.
