### Implementation of Vision and Mission Statement

Our deep commitment to our students is expressed in the new Strategic Plan that was developed interactively with students, parents and staff.

**Goal 1:** All learners will develop the **ACADEMIC SKILLS** necessary for individual success through continual growth towards mastery of standards in all subject areas and development of scholarly habits.

1. Students will demonstrate continued growth in all content areas, with an emphasis on critical thinking and problem-solving.
2. English Learners will demonstrate continued growth towards mastery of Academic English and being designated English language proficient.
3. Students will demonstrate continued growth in scholarly habits that allow them to control and monitor their own learning for improved academic outcomes.

**Goal 2:** All learners will develop the **PERSONAL SKILLS** necessary to achieve academic and social goals, including maintaining high motivation, social and emotional well-being and a positive school climate.

1. Students will demonstrate continued growth in their attitude towards learning (motivation).
2. Students will demonstrate continued growth in their attitude towards themselves and others (socio-emotional wellbeing).
3. Classrooms, schools and the district will demonstrate continued growth in maintaining a positive and safe learning climate for all stakeholders.

**Goal 3:** All learners will be prepared for **LIFELONG SUCCESS** in their intended career paths. As a district, we are committed to annually improving college and career success rates for all of our graduates.

1. District-wide data that are predictive of success after high school will improve annually.
2. College and career entrance & completion rates will improve annually.
