Athletic Competition

A. Nondiscrimination and Equivalent Opportunities in the Athletic Program

No student shall be excluded from participation in, be denied the benefits of, be denied equivalent opportunity in, or otherwise be discriminated against in interscholastic, intramural, or club athletics on the basis of actual or perceived sex, sexual orientation, gender, gender identity, gender expression, ethnic group identification, race, ancestry, national origin, religion, color, mental or physical disability, or any other basis specified in law. (Education Code 220, 221.5, 230; 5 CCR 4920; 34 CFR 106.41)

The Superintendent or designee may provide single-sex teams when selection for the teams is based on competitive skills. (5 CCR 4921; 34 CFR 106.41)

Each student shall be allowed to participate in any single-sex athletic program or activity consistent with his/her gender identity and for which he/she is otherwise eligible to participate, irrespective of the gender listed on the student's records. (Education Code 221.5)

When a school provides only one team in a particular sport for members of one sex, but provides no team in the same sport for members of the other sex, and athletic opportunities in the total program for that sex have been previously limited, members of the excluded sex shall be allowed to try out and compete with the team. The same standards for eligibility shall be applied to every student trying out for the team, regardless of sex, sexual orientation, gender, gender identity, gender expression, or other protected group status. (5 CCR 4921; 34 CFR 106.41)

The Superintendent or designee shall ensure that equivalent opportunities are available to both sexes in athletic programs by considering, among other factors: (5 CCR 4922; 34 CFR 106.41)

1. Whether the offered selection of sports and levels of competition effectively accommodate the interests and abilities of both sexes

The athletic program may be found to effectively accommodate the interests and abilities of both sexes using any one of the following tests: (Education Code 230)

- a. Whether the interscholastic-level participation opportunities for male and female students are provided in numbers substantially proportionate to their respective enrollments
 - b. Where the members of one sex have been and are underrepresented among interscholastic athletes, whether the district can show a history and a continuing practice of program expansion that is demonstrably responsive to the developing interests and abilities of the members of that sex
 - c. Where the members of one sex are underrepresented among interscholastic athletes and the district cannot show a history and continuing practice of program expansion as required in item #b above, whether the district can demonstrate that the interests and abilities of the members of that sex have been fully and effectively accommodated by the present program
2. The provision and maintenance of equipment and supplies
 3. Scheduling of games and practice times, selection of the season for a sport, and location of the games and practices
 4. Travel and per diem allowances
