Request Card to Address the Board of Education

In accordance with Board Policy 8120, all persons wishing to address the Board of Education during a public hearing or during the public comments portion of the Board of Education meeting must complete a "Request to Address the Board" card available at the guest registration desk identified at all Board meetings. The completed card must be submitted by the intended speaker to the superintendent or designee prior to the start time of the meeting (typically 7:00 p.m.) Cards may not be submitted by proxy. The intended speaker must present the card on his/her own behalf and must be present in the boardroom by 7:00 p.m. Speakers may only present topics on their own behalf/representing their own opinions or beliefs.
